

TECONNECTA PRIVACY POLICY

The following privacy policy establishes the terms in which TeConnecta uses and protects information that is provided by its users when they utilize its webpage. This company is committed to safeguarding the personal data of its users. When we ask you to fill out the personal information spaces with which you can be identified, we assure you that it will only be used in accordance with the terms mentioned in this document. However, this privacy policy may change over time or can be updated, which is why we recommend and emphasize that you review this information from time to time to make sure that you are in agreement with any changes.

Information that is collected

Our webpage can collect personal information, such as: name, contact information including email address, information regarding preferences and specific needs as well as demographic information. As such, when it is necessary we will request specific information in order to process an order, complete a delivery, or for billing purposes.

Use of the information collected

Our webpage uses the information with the goal of providing the best possible service, particularly to maintain a user registry, including requests to provide a much more personalized and efficient service. It is possible that we will periodically send emails through our website with special offers, new products and other publicity information that we consider relevant for you or that might be of benefit to you, these emails will be sent to the email address you provide and you may unsubscribe at any moment. TeConnecta is very committed to its promise of safeguarding your personal data. We use the most advanced programs and constantly update them in order to ensure that no unauthorized access occurs.

Cookies

A cookie refers to a file that is sent to your computer with the goal of requesting permission to store itself in it, when you accept this file, a cookie is created, and this helps with obtaining information regarding web traffic, and facilitates any future visits to a recurring webpage. Another function of a cookie is that a webpage can recognize you individually and as such can provide you with the best personalized service on their webpage. Our webpage uses cookies in order to identify webpages that are visited and the frequency with which they are accessed. This information is used solely

for a statistical analysis, afterwards the information is eliminated permanently. You may also eliminate cookies from your computer at any time. However, cookies help provide a better service on a webpage, they do not give us access to information on your computer or about you, unless you wish for this to happen and you give it to us directly. You may accept or deny the use of cookies, however, the majority of search engines accept cookies automatically because they help provide a better webpage service. You may also change your computer configuration in order to decline cookies. If you decline the use of cookies it is possible that you may not be able to access some of our services.

Third Party Links

This webpage may contain links to other webpages that may be of interest to you. Once you click on these links and abandon our webpage, we have no control over the webpage you are redirected to, and therefore we are not responsible for the terms, privacy, or the protection of your data on those third party webpages. These third party sites are subject to their own privacy policies, and we recommend that you consult with them to make sure that you are in agreement with them.

Control of personal information

You may restrict, at any time, the collection or the use of personal information that is provided to our webpage. Every time, you can send us an e-mail to let us know that you don't want to receive information via your email address. This company will not sell, give, or distribute any personal information that is collected without your consent, unless we are required to do so by a judge with a court order. TeConnecta reserves the right to change the terms of this privacy policy at any time.
