

TECONNECTA SUSTAINABILITY POLICY

TECONNECTA is aware of the importance of maintaining sustainable tourism development, and assuming the principles specifically adopted in Sectorial Technical Standard NTS-TS 003. We seek to develop sustainable management of our activities by adopting commitments aimed at preventing and reducing the impact of our facilities and activities in the destinations offered in our portfolio. It is imperative for us to optimize our own sustainability as an entity, while implementing efficient practices that help protect the environment. Additionally, our company has adopted sustainable tourism policies to comply with the requirements established in Technical Standard NTS-TS 003, which include all the legal requirements that regulate the effects generated by tourist activities. TECONNECTA is committed to motivate its staff with training development to promote and report sustainable environmental practices both internally and externally. At TECONNECTA we are committed to Colombia's environmental, socio-cultural and economic growth. Our mission is to promote a positive cultural exchange, where the creation of income and employment is also generated for local communities.

OBJECTIVES:

- Mitigate negative impacts and maintain environmental, socio-cultural and economic strategies through the implementation of programs and campaigns that optimize the use of available resources and the relationships with our areas of interest.
- To create awareness with suppliers and clients of the company in sustainable development and make them active participants in its implementation.
- Provide a high quality service to our clients and involve them in our environmentally friendly initiatives.
- Improve the competitiveness and image of the agency by protecting our natural resources, including water and energy saving initiatives.
- Contribute to the conservation of cultural heritage sites in destinations where we operate.

- Apoyar y promover con las organizaciones y entidades competentes, campañas enfocadas a la prevención del comercio y explotación sexual con menores de edad, y denunciar los casos según la legislación vigente.

Support and raise awareness in collaboration with organizations and appropriate entities, regarding campaigns focused on the prevention of trade and sexual exploitation of minors, and to report these cases according to the current legislation.
